Why *Baby's Binky Box*?

The binky box tradition was started in the Ormond household long before the book *Baby's Binky Box* was created. The binky box was so successful with my family, I wanted to share it with yours.

Giving up something that makes us feel secure is a tough thing to do. *Baby's Binky Box* gives a child the tools to make a well thought out decision and have some control over this difficult process.

I wish you and your family the best.

Hi, my name is Binky and this is my best friend Baby.

Baby and I have been friends for a long time.
Since Baby was born, Baby has always asked for me.
